In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56, Applicant hereby directs the Examiner's attention to the references listed on the attached form PTO-1449 submitted pursuant to 37 C.F.R. § 1.97, which the Examiner may consider material to the examination of the above-referenced U.S. patent application. Applicant respectfully requests that the Examiner consider the foregoing references and evidence such consideration by making notations as appropriate on the attached form.

The source and/or publication dates could not be identified for all disclosed references after reasonable inquiry. However, the Applicant respectfully requests that the Examiner consider all of the references indicated on form PTO-1449 in examination of this application. These particular references are grouped together and listed toward the end of PTO-1449.
